

## The situation

There are 5 houses in five different colors.

In each house lives a person with a different nationality.

These five owners drink a certain type of beverage,  
smoke a certain brand of cigar and keep a certain pet.

No owners have the same pet, smoke the same brand of cigar  
or drink the same beverage.

The question is: **Who owns the fish?**

## Hints

- the Brit lives in the red house
- the Swede keeps dogs as pets
- the Dane drinks tea
- the green house is on the left of the white house
- the green house's owner drinks coffee
